SUMMARY

I'm a passionate and dedicated Computer Science student with a strong foundation in programming, problem-solving, and software development. I have experience working with languages like Html, Java Script, and Pythen, CSS, and I'm constantly exploring new technologies to expand my skill set. My interests include web development, algorithms, and data structures, and I enjoy building projects that solve real-world problems.

SKILLS

- Pythen
- Java
- Html
- C++
